Risk Adjustment Processing System (RAPS) – Cumulative Plan Activity Report

Report Description

The RAPS Cumulative Plan Activity Report provides a cumulative summary of the status of submissions by submitter ID and contract number. It is provided in report format and is available for download on the second business day of the month. It is generated only when a plan has activity in the current month.

- Report format is similar to the Monthly Plan Activity Report
- Rows grouped within Service Year '9999' are data that have been rejected and are therefore not stored
