

Ask the Contractor Teleconference (ACT): Submit a Question

The Ask the Contractor Teleconference is intended to open the communication channels between providers and Palmetto GBA, thus allowing for timely identification of problems and information sharing, in an informal and interactive atmosphere. Participants will have an opportunity to have specific questions concerning billing and/or Medicare policies/procedures addressed during these calls. Please submit questions by submitting this completed form using the SUBMIT button located at the bottom of this form. All questions must be received at least five business days prior to the teleconference. Providers will receive a response to their question during the ACT call and will not be contacted individually with a response. Please note: Claims specific questions should be submitted through the Provider Contact Center and will not receive a response during the call.
