

## DEX Technical Assessment Forms

TA Form	Required Tests
GEN-CQD-003 <a href="#">Technical Assessment Submission Checklist</a>	All tests submitting a Technical Assessment
GEN-PF-001 <a href="#">Technical Assessment (TA) Summary Form</a>	Tests with results that are either novel or have proprietary technology and/or algorithms.  Tests that require an evaluation of clinical utility or clinical validity that is not already established in existing policies or standards of care.
NGS-PF-004 <a href="#">Analytical Validity, Clinical Validation Summary Worksheet, NGS Solid Tumors</a>	NGS "Targeted" Panel – Solid Tumor and Solid Tumor, plasma-based  NGS "Comprehensive Genomic Profile" – Solid Tumor and Solid Tumor, plasma-based
NGS-PF-005 <a href="#">Analytical Validity, Clinical Validation Summary Worksheet, Myeloid Malignancies</a>	NGS "Targeted Panel – Hematopoietic Malignancy  NGS "Comprehensive Genomic Profile" – Hematopoietic Malignancy
NGS-PF-006 <a href="#">Analytical Validity, Clinical Validation Summary Worksheet, NGS in Inherited Cancer Testing</a>	Inherited Cancer Testing
NGS-PF-002 <a href="#">Analytical Validity – Performance Specifications for Comprehensive Genomic Profiling Checklist, Somatic and Germline</a>	NGS "Comprehensive Genomic Profile" – Solid Tumor and Solid Tumor, plasma-based  NGS "Comprehensive Genomic Profile" – Hematopoietic Malignancy  Whole Exome Sequencing  Whole Genome Sequencing
MRD-PF-016 <a href="#">Analytical Validity, Clinical Validity Summary Worksheet, MRD</a>	Minimal Residual Disease (MRD) Testing
MRS-PF-020 <a href="#">Analytical Validity, Clinical Validity Summary Worksheet, MRS</a>	Molecular Testing for Risk Stratification (MRS)  Example: Biomarkers
MID-PF-019 <a href="#">Analytical Validity, Clinical Validation Summary Worksheet, Syndromic Infectious Disease Panels</a>	Molecular Testing for Syndromic Infectious Disease (MID)

## DEX Technical Assessment Forms

TA Form	Required Tests
PCFS-PF-021 <a href="#">Analytical Validity, Clinical Validation Summary Worksheet, PCFS</a>	Prenatal cell-free DNA Screening (PCFS)
PCS-PF-022 <a href="#">Analytical Validity, Clinical Validation Summary Worksheet, PCS</a>	Prenatal Carrier Screening (PCS)
PGX-PF-007 <a href="#">Pharmacogenomics Submission Form</a>	Pharmacogenomics (PGx) tests
ALLO-CQ-003 <a href="#">Technical Assessment Submission Checklist and Questionnaire for Solid Organ Allograft Rejection</a>	Molecular Testing for Solid Organ Allograft Rejection
ALLO-PF-009 <a href="#">Allograft Rejection Performance</a>	Molecular Testing for Solid Organ Allograft Rejection
GEN-PF-010 <a href="#">Gapfill Worksheet</a>	Required for tests that must be priced by Palmetto GBA
