A CELERIAN GROUP COMPANY

## Palmetto GBA Small Business

Palmetto GBA is committed to developing partnerships with small businesses. Palmetto GBA often engages small businesses to supplement proposal offerings. If you would like to talk to us about partnering opportunities, please call Ron Paige, Palmetto GBA's Contract Administrator, at (803)763-5766. In order to identify new potential partners, Palmetto GBA maintains a database of small businesses. Palmetto GBA's Contract Administrator oversees this database, cross-referencing business opportunities to identify matches. Business Development Officers within Palmetto GBA collaborate with the Contract Administrator and contact small businesses to explore partnering. If you would like to add your small business to our database, it's quick and easy. We look forward to growing together.
